

Baraga County Communities That Care  
Data Workgroup Meeting Notes  
6 – 8 pm, February 25, 2015  
Lakeside Inn, Baraga

**Attendance:** Members: Chair C. Parker, S. Gilliland. Others: K. Jahfetson, Communications Workgroup; T. DeRocher Lerma, CTC Coordinator.

**I. Call to Order:** 6:12 pm

**II. Additions/Changes to Agenda:** Change in order of business, moving new business up so that guest Jahfetson could leave after.

**III. Notes from previous meeting:** Notes are not yet available.

**IV. New Business: Outreach** (in partnership with Communications Workgroup) regarding survey results: Various means of reaching out to the broader community with survey results and voting on priorities were discussed:

- A special meeting will be scheduled for 3/19 to present survey results.
- L'Anse School Board presentation: This will be an informing as it occurs too late for the voting. The presentation will be at the April meeting. We also need to have some kind of presentation for students, parents and teachers.
- Baraga Schools: We need to offer the same as we do in L'Anse.
- School Superintendents will have special presentation before any others.
- We may be able to create an on-line presentation and ranking in a Survey Monkey-like format by recording the first presentation.
- T. DeRocher Lerma can present to county Triad and Chamber of Commerce meetings. These, too, will occur after the voting, however.
- Recorded presentation can also be posted to FaceBook page.
- Local media (TV, radio, print) need to be made aware of the meetings for presentation of results and voting on priorities.
- Businesses, schools and churches can be asked to post the presentation.
- We need a basic flyer to post regarding voting meeting – post at every possible venue.

**V. Old Business:** The written report was reviewed and revised.

**VI. Close:** Meeting closed at 8:00. Next meeting in one week, 03/04/2015. Same time and place.

Respectfully submitted,

*Terry DeRocher Lerma*

Coordinator, Baraga County Communities That Care
